INDEX OF CLAIMS

This image shows a page from a vintage telephone directory, likely from the 1930s. The page is filled with a dense grid of text, organized into columns and rows. The text is small and difficult to read, but the layout is characteristic of a telephone book. The page is divided into several sections by vertical lines, and the text is printed in a serif font. The overall appearance is that of a historical document.

If more than 150 claims or 8 actions state additional sheet here
